HALL OF FAME

MISA FELICITATION CEREMONY

The IGCSE and A Level school toppers- Ashlin Thomas, Soumil Gupta, Anvi Sameer Gore (IGCSE), Areen Chakraborty, Rhea Kaur Chhatwal and Sae Sule (A Level) were felicitated in a ceremony organised by MISA on Saturday, 8th October. It was indeed a proud moment to witness this spectacular ceremony as our students made their way on to the stage to receive the Certificates.

High School students of DYPIS, Nerul participated in the two-day fest 'The Happy Place' organised by Aditya Birla World Academy on 7th October & 8th October and came back only happier with their school baton flying high and mighty!

Students from Grades 9-12 represented our school across various categories and emerged triumphant in almost every competition they participated in. The theme of 'Resilience' was pushed with power in our adaptation through a street play and DYPIS secured 1st place across many other noteworthy entries.

Malhar Shirur, of Grade 12 A, captured 'The Spirit of Mumbai' through his reflective lens and bagged the 3rd position in Photography competition that was themed around finding inspiration in the ordinary.

Aarav Reddy from Grade 9 A owned the stage at the Extempore and secured the 2nd place to defeat 25 very eloquent speakers. The school also won the dance competition to secure the 2nd runner-up.

DYPIS IS TRULY PROUD OF THE LAUDABLE ACHIEVEMENTS OF THE PARTICIPATING STUDENTS!

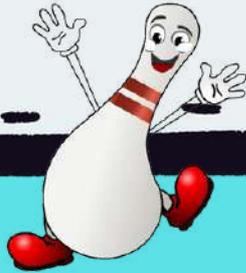

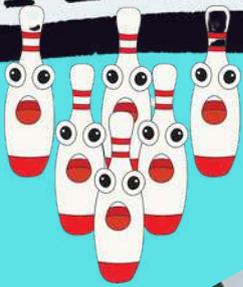

Play and Learn

1, 2, 3.....Bowl!

Number recognition represents the formation and shape of a number as well as its value association.

At DYPIS, our tiny tots honed their early-math skills through an enthralling engagement 'I'm Bowled' where they were able to identify and differentiate between numbers.

This activity also enhanced their spacial and visual awareness.

THE GIVING EXPRESS!!

“Joy is a net of love by which you can catch souls.”

- Mother Teresa

The 'Joy of Giving Week' is observed every year at DYPIS with a lot of enthusiasm, reflecting the spirit of empathy and generosity of the children, teachers and parents alike. This festival of philanthropy was held from 3rd Oct' to 7th Oct', with the aim to inculcate in our learners the life-long habit of giving without expecting anything in return. In an endeavour to bring a smile to the faces of those not as fortunate as us, engagements like Joy of Giving Treat Bags, in collaboration with parents, were planned across all the grades. Other highlights included engagement like interactive storytime, 'Have you filled a bucket today?' by Carol McCloud, The Joy of Giving to Oneself through yoga exercise, and Mother Nature through the planting of saplings in recycled containers. Students learnt the value of giving and truly celebrated the joy of sharing.

Bucket Fillers

Joy of Giving a Treat Bag

Art and Craft activities give children a sense of achievement and allow them to take pride in their work. On account of Joy of Giving Week, students of Primary School created different types of beautiful Papercraft Gift bags and boxes to distribute sweets to the underprivileged as a token of love.

WORLD OZONE DAY

We have been blessed with a beautiful planet thriving with life and bounties of nature. It's our responsibility to keep it safe and sustainable. DYPIS observed World Ozone Day on 16th September with an aim to raise awareness against ozone depletion and its after effects.

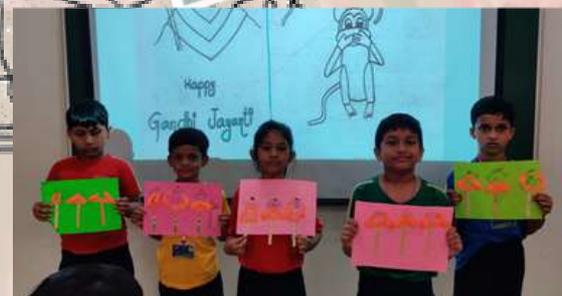

The facilitators apprised students about the significance of the day through interactive audio - visuals. The learners of Grade 1 engaged themselves in a coloring activity based on the event. Like an umbrella is to rain, ozone is to Earth. The environmentalists of Grade 3 depicted this year's theme, Global Cooperation to Protect Life on Earth, through artistically designed posters

GANDHI JAYANTI

"The future depends on what you do today."
- Mahatma Gandhi

Mahatma Gandhi, the father of the nation, has played a titular role in architecting modern India. DYPIS paid homage to this great soul on his birthday through various thought provoking activities. Students discovered more about his life and philosophy as they revisited the history through audio visuals and class discussions. Activities like The Three Monkey and Gandhi ji's Charkha filled them with spirits of Satya and Ahimsa.

DUSSEHRA & NAVRATRI - THE FORCE OF GOOD OVER EVIL

The holy festivals of Navratri and Dussehra depict the supreme power of the Goddess Durga and remind us of the triumph of good over evil, light over dark. The students of the Primary section celebrated Navratri and Dussehra with great enthusiasm. The classes were bedazzled as students dressed up in beautiful traditional attires and matched steps on the tunes of Garba.

IGNITED MINDS

The first Global Perspectives challenge concluded with a bang in Grades 3 & 4. The inquisitive illustrators of Grade 3 designed exquisite homes as they discussed how Homes Provide us Safe Shelter? Simultaneously, the enquirers of Grade 4 collaborated together to find best possible solutions to preserve peace and harmony in the world.

MATH-O-DICALLY YOURS

Students shared math riddles, facts and jokes with their classmates and exchanged cookies and chips with each other.

SLICE OF SCIENCE

Students visited the science lab to understand physical change (in water) and chemical change (from manganese to magnesium oxide) in a matter. They also observed changes in water while it went through the process of melting and evaporating.

स्वरों की काल्पनिक दुनिया

कक्षा 1 में आयोजित गतिविधि 'स्वरों की काल्पनिक दुनिया' में कक्षा १ के छात्रों ने स्वरों का रचनात्मक इस्तेमाल करके माला, रेलगाड़ी लॉलीपॉप जैसी खूबसूरत कलात्मक वस्तुएँ तैयार की। इस क्रियाकलाप के माध्यम से छात्रों की स्वर संकल्पना के साथ - साथ काल्पनिक शक्ति भी विकसित हुई।

Grade-1 students played board games based on the theme "RULES ROCK" in TIU where they learnt that they have to follow rules even while playing different board games.

GAME TIME!

Bon Voyage!

Postcards are one of the oldest means of written communication in the history of postal services. Grade 7 French students created exotic Post Cards in a conversational style and transported their distant readers to their own imaginative world. It was a fun learning experience for them!

Grade 7

GLOBAL PERSPECTIVES

Grade

6

Global perspective students of Grade 6 showcased their researched work on the challenge, 'What makes us Human?'. Using various mediums, learners presented standalone exhibits, short presentations, and paper-based /electronic posters on the evolution of the 'Human Species.'

BUILDING THEIR OWN PRODUCT

BITE-SIZED BLESSINGS - Brownie

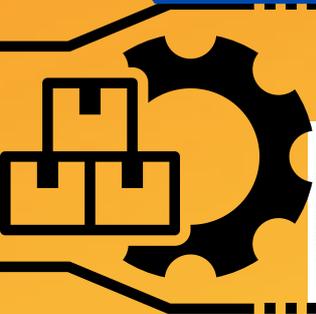

Terrific Teams of Grade 9 were involved in a business activity wherein, they not only made a brand-new product by themselves but also were involved in naming, branding and finalizing the product. Through various brainstorming sessions and multiple surveys, they finalized two products to market and sell.

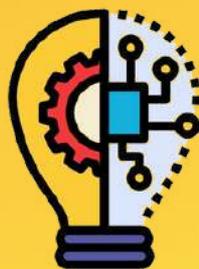

HYDEL - Energy Drink

NEW PRODUCT DEVELOPMENT

'New Product Development', a Business Studies project was successfully executed by the budding entrepreneurs of Grade 12A. An existing product was innovated and presented excitedly to their Business facilitators.

INDIAN SWACCHATA LEAGUE CAMPAIGN

THE STEP TOWARDS CHANGE IS AWARENESS...

Awareness of cleanliness and environment friendly practices is vital for students as they are the future nation builders. As part of the CAS and Community Service programme our students of IBDP Year 1 and AS Level participated in the 'Indian Swacchata League' Campaign organised by Navi Mumbai Municipal Corporation at Rajiv Gandhi Stadium, Belapur on 22nd September, 2022.

The students were educated as to the best possible ways to dispose of the waste in order to reduce diseases, and all other forms of pathogens that are associated with improper waste disposal. The event was based on the movement 'You versus Garbage' which was an attempt to generate awareness about the ways to reduce risks of numerous health diseases and the detrimental effects from careless garbage disposal.
